Fall Soccer

**Positive Developments
and Highlights**

The post-season planning is underway and on schedule.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

This year's change in the number of games suspended because of a DQ has been well received. It appears the schools and coaches all feel this is an appropriate adjustment that better fits the conduct. As a result the changes in Rule 12 for ejections (red card) and disqualifications have been positive changes.

**Championship
Update/Review**

At this time, all district tournaments have been set and the trophies and awards are currently being prepared for shipping by Rihards. The Region event planning is also close to being completed. This year the semifinals and finals will take place on October 30, 31, and November 2 at Paul Laurence Dunbar High School (FCPS) in Lexington , KY.

**Officials
Update/Review**

Officials for this year's championship are currently under review by this office and the regional assignors. The selected officials will be contacted in the near future for potential assignments.

**Staff and Worker
Update**

Workers for championship are currently being contacted in preparation for the event.
