**III. Public Hearing Regarding the Tax Rate**

Patricia Swishelm asked if the board would be lowering the taxes. She indicated that the newspaper advertisement was confusing to her because it indicated the Board would receive less money.

Mrs. Wasson explained the tax rate being proposed was the same rate as the current year but it was projected to draw in less money because last year the Board received money for delinquent taxes that we weren't guaranteed and we also collected at a high percentage rate. She explained that the newspaper advertisement was provided by the Kentucky Department of Education.

No other attendee chose to speak during the tax hearing.
