

Kenton County School District | *It's about ALL kids.*

Issue Paper

DATE:

September 26, 2024

AGENDA ITEM (ACTION ITEM):

Consider/Approve 2024-2025 School Bus Rental Rates

APPLICABLE BOARD POLICY:

01.11 General Powers & Duties of the Board

HISTORY/BACKGROUND:

2024 transportation costs have been reviewed and provide the basis for the 2024-25 school bus rental rates. The rates reflect the average bus driver and monitor pay rates and an average operations cost for a bus. The rates are used to reimburse the General Fund for field trips, athletic trips, etc. by our own schools as well as neighboring schools and groups. The cost review indicated that the current rental rates continue to adequately reimburse the district, therefore no change in the current rental rates is recommended. Automatic renewal of the current year rates is also recommended until the annual cost review warrants a change that will be presented at that time.

FISCAL/BUDGETARY IMPACT:

Annual \$175,000 Bus Rental Revenue General Fund

RECOMMENDATION:

Approval of the 2024-2025 School Bus Rental Rates with automatic annual renewal
