RE: Invitation to the 2024 Fall KSBA Regional Meeting (with attachments)

DATE: November 4th, 2024

On behalf of the Elliott County Board of Education, it is a pleasure to invite you to the 2024 fall regional meeting for the Kentucky School Boards Association's Eastern KY North Region. The meeting will be held on Monday November 4th, 2024 at the Round Cafeteria building adjoining the Elliott County High School located at 353 South KY 7, Sandy Hook, Kentucky 41171.

The evening will begin at 5:30 pm (ET) with registration and a hospitality time featuring refreshments and entertainment. The meal will begin at 6:00 pm (ET) with the program starting at approximately 6:45 pm (ET). All board members participating through the end of the

program will receive 75 minutes of credit toward the annual state-required training, as well as credit for regional meeting attendance in the KSBA Academy Studies.

This year's meeting program features interactive conversation about Amendment 2, which asks Kentucky voters whether to give the state legislature new authority to direct public tax dollars to private schools. Board teams will learn how to address the proposed constitutional amendment with their local communities and gain a better understanding of the impacts on local public schools and the students they serve. Meeting attendees will also receive updates from KSBA on changes to state-mandated training requirements and other association news.

Due to the increased number of webinars and on demand credit hour opportunities, bonus training sessions will not be held in advance of the regional meeting.

In the event that individual board members have conflicts on the date of their assigned region's meeting, they may request to attend another region's meeting by contacting the host region directly. See attached for a 2024 Fall Regional Meetings flyer containing dates and host districts for all KSBA regional meetings.

Please mark your calendars and register NOW for an evening of good food and fellowship with other board members and superintendents across your region. We look forward to seeing you on Monday, November 4th, 2024. Thank you for your continued commitment to Kentucky's public schools and students.

***Note to Superintendents: To register your board for this year's fall regional meeting, please return the enclosed registration forms by October 18th, 2024 or as soon as you know who will be attending from your district. Cancellations must be received by October 25th, 2024 to avoid your district being billed by the host district for cost incurred in anticipation of your attendance.**
