

Kentucky Board of **EDUCATION**

Commissioner Goals 2024-2025

Goal #1

Provide strong leadership to advance the Kentucky United We Learn initiative across all educational levels through intentional engagement and strategic communication.

Goal #2

Support the development of an assessment and accountability system that aligns with the Kentucky United We Learn moonshot and garners widespread support from educators, legislators, and stakeholders.

Goal #3

Increase KDE's visibility and build genuine, trusting relationships with educators, administrators, students and families across the state.

Goal #4

Develop and implement a comprehensive strategy to address critical education workforce issues, with a focus on teacher recruitment, retention, and support.

Goal #5

Build and maintain strong collaborative relationships with members of the Kentucky General Assembly.
