Superintendent Estes & the Russellville Ind. Board,

On Thursday, October 10, 2024, bids were received for the R.E. Stevenson Roof Project.

We are pleased to share that we received 5 different competitive bids in total. Of the 5, the qualified and apparent low bidder was Kalkreuth Roofing and Sheet Metal out of Lexington, KY with a base bid of \$536,966.00 and an add Alternate 01 amount of \$13,364.00.

After reviewing all of the bids, it is the recommendation of Hawkins Abney, PLLC to accept this bid and the add alternate and enter into contract with Kalkreuth Roofing and Sheet Metal for the bid amount of \$550,330.
