

2024-25 drop out report

1. 18 year old white male. 21.5 credits. Has been enrolled in 5 different Kentucky school districts. First enrollment in Simpson County at age 16. No longer resides in Simpson County
2. 18 year old white female. 25.5 credits. Needs $\frac{1}{2}$ credit in English and $\frac{1}{2}$ credit in health to graduate. Moved out of the area and does not respond to attempts to contact her.
3. 18 year old Hispanic female. 15 credits. First enrollment in Simpson County at age 16.
4. 18 year old Hispanic female. 10 credits. First enrollment in Simpson County at age 16.
5. 18 year old male 2 or more races. 17.5 credits. Struggled with attendance since COVID. Turned 18 and chose not to return to school.
6. 19 year old Hispanic female. 18 credits. First enrollment in Simpson County at age 17.
7. 18 year old male. 21.5 credits. Has been in HS for 4 years. At the end of the school year the plan was to return for a 5th year and graduate from West Campus but he has chosen not to at this time. 5th year graduates still count as drop outs.
