(As Adopted by the Board of Control)

(Case situations refer to rulings and interpretations used to administer these provisions which can be found in the next section of the Handbook)

I) Assignment of Schools to Districts and Regions

The Kentucky High School Athletic Association shall sponsor postseason competition in basketball for boys and girls, provided that fifteen (15) percent of the member schools declare intentions to participate in said competition. Member schools desiring to participate in KHSAA sponsored postseason competition shall notify the Association office prior to November 1. The Commissioner shall divide the state into geographic sections with the approval of the Board of Control. The alignment shall begin with the 2010-2011 school year, and shall be reviewed upon the request of a member school with a request concerning that particular school on a biennial basis (every two years). The entire alignment shall be reviewed with changes to be in effect for the 2010-2011 school year and every four years thereafter. In the interim, newly added or deleted programs will be handled on a case by case basis by the Commissioner's office

II) Dates and Sites for Tournaments

District tournament sites shall be selected by a site selection plan approved by a unanimous vote of the schools eligible to compete in each district tournament. If a district is unable to resolve conflict over the plan, the Board of Control shall establish a plan.

Only schools which are members of the Association prior to January 1 of the year in which the tournament is held, shall be allowed to vote for the district tournament location or participate in the tournament

For the boys' regional tournaments in even numbered years, the host shall be the district winner in the even numbered district. If that school does not desire to host, the opportunity shall next be offered to the district runner-up in the even numbered district. If that school does not desire to host, the opportunity shall next be offered to the district winner in the odd numbered district. If that school does not desire to host, the opportunity shall next be offered to the district runner up in the odd numbered district. This pattern will rotate in odd numbered years. If the host school/site declines to host the Regional Tournament at its home site, it will be that school's responsibility to find a host site. However, this would not alter the "Odd/even" rotation sequence for future post season tournaments.

For the boys' sub-section, the even numbered region winner will host the sub-section contest in even numbered years. This hosting pattern will rotate in odd numbered years. If the winning region school/site declines to host the Regional Tournament, at its home site, it will be that school's responsibility to find a host site.

For the boys' sectional tournaments, the even numbered sub-section winner will host the section contest in even numbered years. This pattern will rotate in odd numbered years. If the winning sub-section school/site declines to host the Regional Tournament, at its home site, it will be that school's responsibility to find a host site.

For the girls' regional tournaments in even numbered years, the host shall be the district winner in the odd numbered district. If that school does not desire to host, the opportunity shall next be offered to the district runner-up in the odd numbered district. If that school does not desire to host, the opportunity shall next be offered to the district winner in the even numbered district. If that school does not desire to host, the opportunity shall next be offered to the district runner up in the even numbered district. This pattern will rotate in odd numbered years. If the host school/site declines to host the Regional Tournament at its home site, it will be that school's responsibility to find a host site. However, this would not alter the "Odd/even" rotation sequence for future post season tournaments.

For the girls' sub-section, the odd numbered region winner will host the sub-section contest in even numbered years. This hosting pattern will rotate in odd numbered years. If the winning region school/site declines to host the Regional Tournament, at its home

- ◆ Staff reported that it concurred with the bank reconciliation observation and had made staff duty revisions to ensure that this was not repeated. The unreconciled bank account was the account for unused sick leave for retiring employees, and has very few transactions.
- ◆ Mr. Weedman and staff also noted for the Board that the recommendations of the prior year audit firm had been implemented as requested.
- ◆ Staff also requested that with approval of the audit, the Board approve the transfer of the accrued sick leave from the unrestricted fund to the Sick Leave Account (after reconciliation) to ensure full funding of the account. For the 2009 fiscal year audit, that amount is \$9,822.
- ◆ Staff reminded the Board that much of the designation for the Museum Development (around \$206,000) remained in the General Fund checking account to ensure cash flow at low points of the year, but was available for Board of Control approved expenses on this project.

Dave Weedman, **Executive Committee** Chairperson, asked the Board to approve the following motions:

1. After a presentation by Matt Callahan, Central Area Director for Perfection, Inc. and John Settle, Local Sales Representative, staff was authorized to enter into final negotiations with Perfection, Inc. and proceed with the heating and air conditioning control system contract, not to exceed the designated fund for physical plant repairs accumulated from prior years. The control system upgrade will allow for enough savings in utility costs to pay for itself in less than five years, and will certify the office as a Green Enterprise. The motion was made by Stan Steidel, seconded by Marvin Moore, and passed 15-2 (Carrell Boyd & Jeff Schlosser were opposed).
2. Approve Association bills from December 1, 2009 through December 31, 2009. The motion was made by Bob Stewart, seconded by Jerry Keepers, and passed unanimously.
3. Accept the internal and external sales reports as presented by Butch Cope and David Fatzinger, respectively. The motion was made by Kelley Crain, seconded by Bill Beasley, and passed unanimously.
4. Approve the Region 4 soccer alignment as recommended by staff. The motion was made by Lea Prewitt, seconded by Boyd Randolph, and passed unanimously.
5. Create an Ad Hoc Commissioner's Screening Committee, comprised of: President Dave Weedman, Vice-President Kelley Crain, Anita Burnette, Alan Donhoff & Gene Norris. The motion was made by Stan Steidel, seconded by Marvin Moore, and passed unanimously.
6. Induct Commissioner Brigid L. DeVries and Coach Bob Schneider into the Dawahares/KHSAA Hall of Fame with the 2010 class. The motion was made by Stan Steidel, seconded by Marvin Moore, and passed unanimously.

There was a lengthy discussion regarding the Jefferson County Public Schools and a re-alignment of Regions 6 & 7 in baseball, basketball, softball and volleyball during the Executive Committee meeting. The following people were in attendance during the meeting and had the opportunity to participate in the discussion: Athletic Director David Barnes, Southern HS; Athletic Director Mike Crawley, Butler HS; Athletic Director Mark Evans, Mercy Academy; Athletic Director Mike Beard, Iroquois HS; Principal Joey Riddle, Iroquois HS; Athletic Director Ernest Smith, Fairdale HS; Athletic Director Bill Robinette, North Bullitt HS; Athletic Director Bob Blackburn, Bullitt East HS, Athletic Director Mark Rogers, Bullitt Central HS.

Let the record show that the following people presented draft alignments for Region 6 & 7 during the Executive Committee meeting: Athletic Director Debbie Beichler, Atherton HS and Athletic Director Scott Greenwald, Seneca HS.

Mr. Weedman reported that the request to re-align Region 6 & 7 in baseball, basketball, softball and volleyball was not recommended at this time, but will be reviewed with the regular basketball alignment timeline. In addition, Assistant Commissioner Butch Cope will have a revised volleyball alignment at the April meeting, using basketball and fast pitch as a model.

Let the record show that Alan Donhoff left the meeting at 3:15 p.m.

President Weedman also asked that the record indicate that the following items were discussed, with no action being taken:

1. Stan Steidel asked staff to draft a proposal to prohibit games to be played with non-member school teams being involved at KHSAA member school events. Commissioner DeVries stated that an amendment to the constitution through the annual meeting would be necessary. Staff will provide a written draft at the April meeting.
2. Mr. Steidel also asked staff to write a letter to the Kentucky Department of Education expressing a concern that there is very little monitoring of middle school activities. Many are unregulated and expanding into the school year and school day. KDE liaison David Couch will discuss this item with appropriate staff in Frankfort and gather more information in this area. Dr. Weedman asked Ms. DeVries to draft an additional letter, for final review in April, based on KDE's response to this issue.
3. Peter Allen, Senior Field Advisor with FAST [Financial Aid for School Tuition], a financial aid screening agency, asked to be added to the Board of Control approved list of agencies required to screen financial aid for KHSAA member schools. A final decision will be made at the April meeting.
4. Jeff Schlosser suggested that the Board continue to look at the feasibility of random drug testing for state championship participants due to alleged steroid use in high school sports.
5. Butch Cope announced that the draw for the Sweet 16® basketball tournaments will be held on January 29, 2010 at 1:00 p.m. on WKYT and will be streamed live. The baseball and softball draw will be February 10, 2010 at 11:00 a.m. streamed on the KHSAA website.

There being no further business to come before the Board, Bill Beasley made a motion to adjourn, seconded by Bob Stewart. The motion passed unanimously, and the meeting adjourned at 4:45 p.m., January 13, 2010.

Commissioner Julian Tackett
KHSAA Board of Control
2280 Executive Drive
Lexington, KY 40505

Dear Mr. Tackett and the KHSAA Board of Control:

As the representatives of the three Bullitt County high schools (Bullitt Central, Bullitt East and North Bullitt), please accept our formal, collective request to be placed into a different region, outside of the sixth or the seventh in the next KHSAA realignment.

Currently, in the sports of baseball, basketball, volleyball, soccer and softball, Bullitt County schools compete in three different regions (6th in baseball, softball and basketball, 8th in volleyball and the 5th in soccer). Since the KHSAA is considering alignment for these five sports, Bullitt County Schools are requesting to be placed in a region that reflects our geographic and demographic makeup.

At present, we believe that we are the only district in the state whose athletic decisions are strongly influenced so much by one county's policies, board of education and personnel, leaving us with a very limited voice when it comes to scheduling, facilities and game times. Being in such proximity to Louisville, Bullitt County schools and students are denied the opportunity to host regional and other events that are dictated to us by Jefferson County Public Schools.

With this in mind, we understand that a large body, such as Jefferson County Public Schools, must make widespread and unilateral decisions based on the unique needs of their population. Due to their size, those decisions are unique from any other city in the state. However, those decisions don't always coincide with the needs of our rural schools and students.

As a result, the Bullitt County community has a strong sense of county pride and strongly desires to have its athletic competition and community reflect that pride. As aforementioned, we have competed in the 5th, 6th, 7th, and 8th regions and have a deep understanding of all those regions operating procedures and strongly believe that we deserve and need to be considered for a new region in the next basketball realignment. We would be pleased and satisfied to be placed into what is currently the fifth or eighth region in all five sports.

Thank you for considering our collective request. All three principals and athletic directors, our superintendent and Director of Secondary Education have all signed this letter to show our unified support for this request, based on what is best for our students.

Respectfully,

Dave Marshall
