The EHS student of the month for October is Connor Johnson. Connor is a senior at EHS. He is an outstanding student who is a participant in the Teaching and Learning Pathway. Connor works in the head start program for the Elizabethtown School District. Connor is a member of the Pep Club. He is also a member of the Football Team where he plays running back, middle line backer, and tight end positions. Here are some comments from his teachers:

Ellen Dodson: Connor is a conscientious, good-hearted, talented young man whom everyone enjoys being around. He has a bright future ahead of him and is sure to excel in whatever course he chooses.

Coach Silva: One of the hardest working COACHABLE student -athletes I have ever coached. Always positive and a TEAM player.

Tyler Mattingly: Connor is one of my most intentional young men that I have had the pleasure of coaching. Connor is a young man that will go really far in life because he cares about those around him and is very disciplined in his pursuit in life. Connor is going to have a positive effect on a lot of people in his life.

Student of the Month!

T.K. STONE MIDDLE SCHOOL

Tori Carpenter is an excellent example of what a panther should be. She is a wonderful student who participates in Gaming Club and Art Club. She enjoys learning from other artists and hanging out with new people. Tori's favorite class is Art, because she enjoys the challenges of the class.

Tori would love to go to college to study meteorology and one day be a storm chaser. She would also like to continue developing as an artist.

Tori's role model is her mother, because she is always there to help answer her faith-based questions and help guide her. Tori was baptized at Severns Valley a couple of months ago and is an active member of the church's youth group.

Tori enjoys TKS because of all the nice teachers and students. She is looking forward to attending EHS because it is a bigger school with lots of opportunities.

Victoria is a leader at T. K. Stone. She comes to school everyday, maintains good grades, gets along well with her peers, is respectful to her teachers, and is an amazing artist! Tori has matured a great deal since we met her sixth grade year. I cannot wait to see what her future has in store! - Ms. Brandenburg

Tori is a very talented artist and a hard worker! - Mr. Paden

I'm happy to learn that Tori is our October Student of the Month. Tori is very respectful and works hard. If she keeps this up, she'll be a great asset to any community in which she will live.
