RE: 2024-2025 Out-of-State Employee Students

On July 24, 2014 the Christian County Board of Education approved the Non-Resident Tuition Policy & Procedures. The employee's students who were currently attending Christian County Public Schools and living out-of-state were grandfathered in during the 2014-2015 school year with no tuition charges.

The Christian County Board of Education requested the approval of the out-of-state employee's children to attend Christian County Public Schools be revisited for the 2015-2016 school year and every year thereafter.

The Office of Pupil Personnel requests the Christian County Board of Education's decision regarding the following:

- The continuation of employees' children who live out of state to attend Christian County Public Schools during the 2024-2025 school year.
- Currently there are only 6 employee's children who are attending Christian County Public Schools who live out of state.
