RE: Technology Surplus

Members of the HCS Board,

Below is a summarized list of technology items for which I respectfully request your approval as surplus from the HCS technology inventory. These items were originally purchased for network infrastructure, classroom instructional use and/or support purposes. They have been replaced as part of our ongoing technology refresh and update process. Upon declaring them surplus the items will be disposed of according to district policy.

Respectfully,

A handwritten signature in cursive script that reads "Kris Gordon".
