MEMO

TO: Dr. Jesse Bacon, Superintendent
FROM: Danny Clemens, Director of Facilities
Date: October 8, 2024
RE: Overdale Elementary School Little Library **DC**

Overdale Elementary's first-grade students, teachers, and Family Resource Coordinator are requesting a "Little Mustang Library" book box on Overdale school grounds. This initiative is a part of their Project Based Learning about neighborhoods and community resources. Students/staff will partner with the Maryville/Overdale Family Resource Coordinator and Mr. Frank Fugate for this project. The first-grade students and teachers will create building plans and ideas, Mr. Fugate will provide installation, and the FRC will assist in promoting the Little Mustang Library by sending out information about the library and providing books as needed. The projected location of the pantry would be near the school's front parking lot, by the school sign and the sidewalk. Upkeep of the Little Mustang Library's future maintenance would be provided by the FRC and community partners. Approval of this library would not only be an exciting opportunity for Overdale's first grade PBL, but it would also help foster their sense of responsibility and community, as well as promote literacy and family connection by providing free books to the local community so that children may engage in reading with their parents or guardians with no financial burden.

I recommend approval of this request.
