Consent Agenda Item (Action Item): Consider/approve the creation for a supplemental position of *Young Authors* District Coordinator.

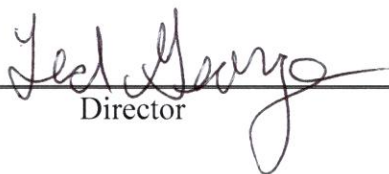

Applicable Statutes or Regulations: BOE Policy 01.11 Powers and Duties of the Local Board of Education.

Fiscal Budgetary Impact: The District Coordinator for *Young Authors* District Coordinator supplemental position will come with a compensation of \$1500. Each school-level coordinator receives \$500 for each grade level (Elementary, Middle School, and High School). Therefore, it is fair for the *Young Authors* District Coordinator to receive \$1500 for supervising the entire district.

History/Background: For more than two decades, *Young Authors* has offered students in Floyd County an opportunity to display their writing talents. To guarantee the program's effectiveness, we are in need of a committed individual to manage the entire process. The district coordinator will have a pivotal role in making sure that school-level coordinators are well-prepared and productive. Given the significant workload, a reasonable stipend will be offered.

Recommended Action: To approve as presented
