School Council –

Meeting Summary: School Council meeting was held on November 6th, 2024. Assistant Principal Roettger presented the KSA report and discussion ensued around improving the perception of school climate and safety from the survey completed by students as part of the Kentucky Summative Assessment taken last spring. Superintendent Six led discussion around the school calendar for 2024-2025. Plans were made to create a timeline for school council elections and a proposal for school council committee structure will be presented in December.
