RE: Use of Common Carrier

The FSHS Cheerleaders are requesting to use a common carrier for plane travel to Orlando, Florida on February 6th 2025, for the UCA National High School Cheerleading Competition.

The cost of the trip is \$8700.00. The FS Cheer Boosters will be covering the entire cost of the trip, so there is no cost to the Simpson County School District. FS Cheerleaders will be traveling through Southwest Airlines and using Happy Limo for ground transportation, which is what was used in years past.

Thank You,

Brooklyn Holder
Kighlee Caudill
