Consent Agenda Item (Action Item): Consider/approve applying for an emergency certificate for three teachers (two physical education teachers and one math teacher).

Applicable State or Regulations: Board Policy 01.11 General Powers and Duties of the Board.

Fiscal/Budgetary Impact: None

History/Background: All 3 teachers are Masters of Arts in Teaching (MAT) teachers and should remain teaching ensure the use of certified teachers in all classrooms. The state LEAD report requires schools to have certified teachers in each classroom in the district. The LEAD report is to be submitted by November 15, 2024. If the local Board of Education doesn't approve these emergency certifications by this date, then the district may lose a portion of their 25-26 school year district allocations. Since there are no other qualified applicants, emergency certification is necessary to fill two teaching positions in the district and fulfill LEAD requirements.

Recommended Action: Approve as presented
