NFHS Section 2 Meeting - Columbus

**Takeaways to help  
Board and Staff**

Nearly all of the Executive staff was able to attend the 2024 NFHS Section 2 meeting in Columbus. This professional development and networking opportunity is vital to the training of the staff members who get to meet with the only peers who do jobs similar to theirs, the state association peers.

Attending this meeting were representatives of Delaware, DC, Kentucky, Maryland, Ohio, Pennsylvania, Virginia and West Virginia.

This interaction is extremely important and the staff gathered a great deal of new information, saw examples of things they might like to try in their own jobs, and in some cases, received affirmation that the way they are doing their current jobs and the work of the organization itself as good examples for others.

**General Commentary**

This meeting occurs regularly at the end of September and it is important for staff to attend.
