We sent this up on 3/29; we need some guidance if we are good to move forward on this format for softball.

6th Region Super Regional Plan

After having the vote and needing a 2/3 consensus of the 15 playing schools we needed 11 schools to say yes. We have 11 yes's and 2 No's with 2 that have not voted yet. Needing to send this to the KHSAA and spring break coming up in a few hours I wanted to be transparent on the outcome. I am going to send this to our representatives Dave Zuberer and Angela Passafiume to be sent to Julian Tackett and KHSAA for their review.
