Fall Cross Country

**Positive Developments
and Highlights**

The 2024 season completed with no major issues.

**Championship
Update/Review**

State Championships were conducted on November 2. Ticket sales were down slightly (-675) from 2024. The Horse Park staff asked for the KHSAA to do the largest crowd first to assist with another conflicting Park event they had in the evening. This allowed for the ingress/egress of the park to flow smoother and parking seemed to be easier for schools/fans.

**Officials
Update/Review**

The KHSAA, along with the state meet director and assistant director, continue to try to recruit new track & field/cross country officials. There were many new faces at this year's championships!

**Staff and Worker
Update**

Special thanks to our groundskeepers and officials for all of their hard work preparing the course for the state championships this year.
