The KHSAA conducted two Title IX Webinars on October 3rd and October 4th. Member schools in attendance were provided detailed information in regard to the overall philosophy of Title IX, Gender Equity Review Committees, as well as the process for conducting student surveys and completing the Annual Report. The webinar also included important information for all member schools that are being revisited for the 2024-2025 school year. These webinars were conducted by Commissioner Tackett, Assistant Commissioner Bilberry, and the KHSAA Title IX Audit staff.
