Subject: Volleyball State Tournament Proposal

To: Greg Howard <greg.howard@warren.kyschools.us>

Coach Howard,

We wanted to propose going to a quadrant format for the first round of the volleyball state tournament.

The format that baseball used a few years ago was really cool and it felt like a state tournament atmosphere. The concern now with volleyball is that the first round doesn't "feel" like a state tournament game.

If you move to "quadrants" and do two games at the same site, it would give it more of that feel, in our opinion.

I think we have High School venues big enough to host 4 teams (2 games in one night).

That would really create a "State Tournament" feel and atmosphere for Volleyball.

I would be up for a pre-determined cycle of region hosts. (This is just an example)

1st Region- 2025

2nd Region-2026

3rd Region-2027

4th Region -2028

Who hosts should be pre-determined as well, with facility requirements to be able to host, but also willing to host.

I know there is more to this than meets the eye, but I would love the conversation to get started to see if there is a way to make it happen.
