RE: Swimming State First Round Sites

After reviewing the applications submitted to host the first round, I suggest the following sites for the 2025 State First Rounds of Swimming:

- Site #1 (Regions 1-3): Bowling Green High School
- Site #2 (Regions 4-6): University of Louisville
- Site #3 (Regions 7-9): Scott High School

At a future meeting, I will have a proposed rotation for the next 2 years.
