Consent Agenda Item (Action Item): Approve the renewal of Securedocs from Onit software company to facilitate and manage the electronic signatures for documents required by Federal and Local Statue.

Applicable State or Regulations: Board Policy 01.11 General Powers and Duties of the Board

Fiscal/Budgetary Impact: The cost for the program renewal will be covered with Federal Title I Funds

History/Background: The Floyd Co Board of Education is required to report the Time and Effort of each employee that is fully or partially funded with Federal Funds. In the past this has been complete by sending documents to the schools with someone at each location responsible for signing and returning to CO. This could cause a delay is reporting. With the renewal of Securedocs when an administrator electronically signs it is returned instantly without the threat of lost.

Recommended Action: I recommend that the purchase of Securedocs be approved paid using Federal Title I Funds
