

BOURBON COUNTY HEAD START

Parent Access to Community Information

Policy

Parents are informed about community services and resources in a variety of ways.

Procedure:

1. Parents are given access to information about community services in a variety of ways.
 - a. Parent boards
 - b. Resource page in handbook
 - c. Family activity events
 - d. Center newsletters
 - e. Notices sent home
 - f. Learning Genie
2. The Parent, Family and Child Engagement Coordinator will monitor activities above to ensure that parents are receiving relevant community information
3. Parents are referred and given guidance on how to utilize community resources to best fit their needs.
4. Representatives from various community resources will be invited to speak about their services at either family events, workshops, or other groups, depending on parent interest.

This policy complies with Head Start Performance Standards
45CFR Section 1304.40

Policy Council Approval: 6/9/14
