

Board Report

Jim Seward, Director of Technology
November 2024

Facility Changes

We have updated security (keycards) for tech office, server room and wooden doors leading to BMHS cafe.

Sound system for BMHS stage

Hudl camera installed at Ben Flora

Erate

I am working on getting a bid to upgrade our entire backbone of our network. Majority of the funding will occur via Erate money.

Copiers

We are in the final year of our contract. We will be putting a bid out for new copiers starting the summer of 2025.
