

**MARION COUNTY**  
**Public Schools**

**Superintendent's Report**  
**Monday, November 18**

# Facilities

An Open House for the new Calvary Elementary has been set for Tuesday, December 10.

# School Success

Glasscock Elementary was recently named a National ESEA Distinguished School!

Only two schools per state are selected each year for this honor.

# Staff Development

November 1 was a district work day where teachers met to disaggregate data, plan for the use of new curriculum, and receive training on high-impact instructional strategies.

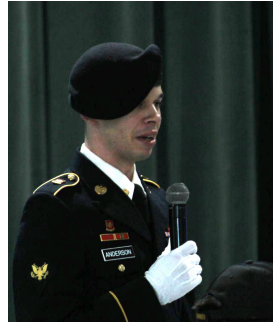

# Community Partnerships

Leadership Lebanon visited the school district on November 8 to tour schools and learn more about MCPS.

# Veterans Day

MCPS schools held Veterans Day ceremonies recently featuring student performances.

# Veterans Day

MCPS schools held Veterans Day ceremonies recently featuring student performances.

# Peak Moments

Lebanon Elementary School 2nd graders recently began their study of properties of objects by conducting an experiment called Sink or Float.

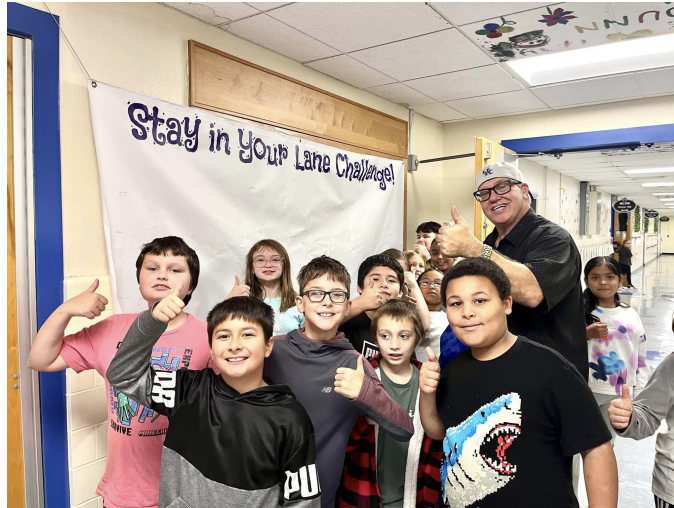

# Peak Moments

Glasscock Elementary students got to trick-or-treat through the hallways on Halloween.

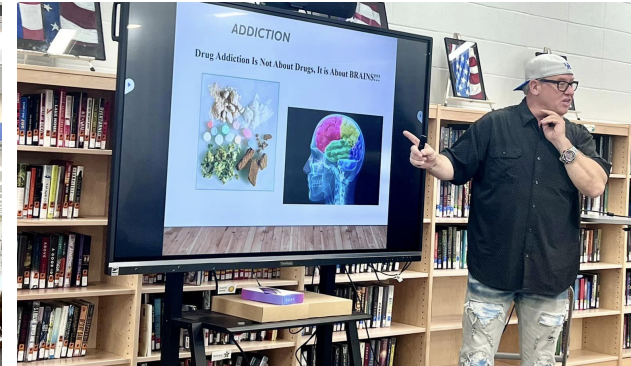

# Peak Moments

Michael DeLeon, the founder of Steered Straight, spoke to schools across the district about making healthy life choices.

The MCHS FRYSC organized this visit.

# Peak Moments

MCMS principal Amanda Farmer held her weekly Positive Office Visits where she meets with several students one-on-one to discuss their thoughts on the school year, their future plans, and help remove the stigma of being called to the principal's office.

By the end of the school year, Farmer will have met with every MCMS student.

# Transportation

The MCPS Transportation Department received its new ECE bus today.
