Dear Board of Education,

My name is Hoshmand Azimi and I am requesting to be approved for early graduation in December 2024. I have been accepted and are enrolled in classes at Gateway for January 2025 conditionally as long as I can provide proof of graduation. I did pursue dual enrollment for the Spring of 2025, but could not be admitted as a high school student because I did not meet the GPA criteria Gateway has for a current high school student to participate before graduation. However, I can be fully admitted Construction Electrician Program once I have a high school diploma. I will be 21 in March and would like to begin Gateway Program as soon as possible.

Thank you for your consideration,

Hoshmand Azimi
