Purpose of fundraising activity:

The Future Lifesavers Grant program partners with elementary schools to provide additional educational opportunities and resources, all while supporting life-saving efforts in our community. For every 15 units collected we can receive a grant for \$150; 25 units \$250; or 50 units \$500. We are able to have a blood drive every 56 days. We will receive grant money 30 days after the blood drive. Blood Assurance will have one small assembly with our 3rd grade classes to teach them the importance of blood donations.
