School: Bend Gate Elementary

Date: 12-6-24

Grant Award Amount: materials worth approximately \$800- \$1,500 (There are 3 tiers of plant structures; it is unclear which one comes with the grant)

Grant Source: [Rise Garden Grant](#)

Contact: Kayla France

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

Rise Garden supplies the materials to grow and sustain an indoor garden. The Rise Garden comes with a lighted structure and the materials needed to grow 12 plants. This is a one time shipment of supplies. Rise Garden's mission is to connect people to the food they eat and to teach the next generation the value of growing nutritious food.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant supplies the lighted structure, materials needed to grow 12 plants, and the educational materials needed to guide teachers. They will utilize the materials throughout the growing period; they will have the structure for any future gardens that teachers may wish to grow.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

In the far future, teachers may use the structure to grow additional gardens but there is no projected cost or responsibility identified at this time.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one time allowance of materials which the teachers will report back to Rise Garden regarding their results.

Other relevant information.

This grant is awarded monthly; it may be submitted again later if it is not awarded this time around or awarded at a later date.
