

Good morning,

The Bourbon County Middle School Cheerleaders competed in UCA Regionals and came in 6<sup>th</sup> place receiving a bid to nationals. Nationals is held at Walt Disney World in Orlando Florida on February 7th- February 10th. We have registered as commuter as bookings on resort is too expensive and parents will be able to accompany their child. It will be about \$499.00 per girl. This will pay their 5 days admission to the competition and 2-day park hopper pass. \$100.00 deposit will be paid for by the parents. The remaining balance of \$399.00 will be covered by fundraisers from the cheer account.

We discuss at the parent meeting that Transportation to and from Orlando will be left up to the parents. This was agreed by the parents. Most of the parents are driving down to Orlando. Some parents and kids are carpooling with other members to reduce the number of vehicles going down. Four girls are flying down with their parents.

I set up a room block for the team and parents at the Holiday Inn Resort – Orlando suites waterpark.

14500 Continental Gateway, Orlando, FL 32821. Cost is \$119 a night plus \$49 resort fees. Agreed by the parents. The parents are responsible for reserving and paying for their rooms. A couple of parents are staying at different hotels.

The hotel provided shuttle to the park if there are stay at the Holiday Inn. Parents who choose to stay at another hotel, will be responsible for getting their child to and from the ESPN complex, practice, and other team events.

We plan on having one team dinner paid out of the cheer account. Undecided on the restaurant. We will also provide snacks and drinks throughout the time we are there.

Some parent will be traveling on February 4th, but Majority of them are traveling on February 5th. Everyone will be coming back on February 11th.
