Consent Agenda Item (Action Item): Consider/approve applying for an emergency certificate for one Middle School Science teacher.

Applicable State or Regulations: Board Policy 01.11 General Powers and Duties of the Board.

Fiscal/Budgetary Impact: None

History/Background: Due to an overall teacher shortage, specifically in middle school math and science, it has become increasingly important for the BOE to emergency certify teachers. Additionally, the BOE ensures certified teachers are in our classrooms by approving this certification. Since there are no science certified applicants for this position, the Education Professional Standards Board (EPSB) allows the Board of Education to grant emergency certifications.

Recommended Action: Approve as presented
