Re: Contract for two (2) geothermal test wells and a conductivity test

I am requesting the Board's approval to authorize Chad Thompson to award a contract for two (2) geothermal test wells and a conductivity test in an amount not-to exceed \$75,000. Baccus will issue an RFP for two (2) test wells and a conductivity test and will have the wells drilled to 600' to see if there is any possibility of going deeper in an effort to decrease the total amount of wells needed.
