RE: Monday.com Agreement

The attached agreement is adding additional licenses for our Monday.com platform. This platform provides all district and school administrators with a dashboard of workflows, systems, etc. to increase productivity and efficiency across the district and promote organizational effectiveness. The total cost for additional licenses is \$8,250 and will come from the communications and/or Superintendent's budget. The original contract was reviewed by Dinsmore & Shohl, LLP in July 2024 and this agreement is for purchasing additional licenses to the existing agreement. Approval is requested for the agreement between BCPS and Monday.com.
