Custodial/Maintenance

- Currently in the process of implementing a work order system to track progress and prioritize short- and long-term needs of all facilities. The program we are utilizing is provided through our current technology work order system at no extra cost. Training for staff will be ongoing and rolled out gradually over the next several months.

Project One

- Light poles have been delivered and are on site. They will be installed in the next couple of weeks
- Brick work around the project has started
- Electric/fiber and other utilities are currently being placed underground
- The field house is scheduled to arrive on campus during the first week of January.
- The scoreboard is ordered and will be delivered and installed in March (weather dependent).
- Project remains to be on target for completion at this time.

School Safety

- New doors are on schedule to be installed over the break.
- School Leadership met with Joe All from Crawford to review school safety and help identify areas of growth. We will continue to make sure safety is a priority.
- The new camera system is in operation/training completed.
- All required drills have been completed
- Follow up Threat Assessment training with the KCSS will be in Jan.

Transportation

- Bill Haubner is retiring effective 12/20/24. He intends to return in April to help us again.
- 33 total bus trips:
  - o 21 Athletic trips
  - o 12 Field Trips

Calendar Committee

- The Calendar Committee will have an initial meeting on January 8th with the goal of bringing a tentative calendar to the BOE for the January board meeting.
