Bronze Service Agreement

Scope of Work

Service Visits

TK Elevator will visit the Units described above to examine the equipment covered by this Agreement as necessary to promote the proper operation of those Units ("Service Visits"). These Service Visits will be performed Monday to Friday, 8:00 AM to 4:30 PM except during scheduled holidays ("Regular Time"). All work performed before or after Regular Time shall be considered overtime ("Overtime").

TK Elevator will examine covered parts and components of the Unit(s) including:

- Control and landing positioning systems
- Signal fixtures
- Machines, Drives, Power units, pumps, valves, and above-ground jacks
- Car and hoistway door operating devices and door protection equipment
- Loadweighers
- Safety mechanisms

In order to ensure optimum operation, TK Elevator will also:

- Lubricate covered parts and components for smooth and efficient performance
- Adjust covered parts and components to promote safe operation

Bronze Service Agreement

Service Visits Performed Pursuant to TK Elevator's Maintenance Control Program

TK Elevator performs all work covered by this Agreement in accordance with the version of ASME A17.1 that is, according to the relevant authority having jurisdiction, applicable to the Unit(s) at the time the Agreement is first fully executed by both Parties. Section 8.6 of that code currently requires Unit owners to have a Maintenance Control Program ("MCP"). TK Elevator's MCP meets or exceeds section 8.6 of that code. Our MCP incorporates TK Elevator's Basic Elevator and Escalator Procedures Manual listing the processes we follow when performing Service Visits and any other tasks that are specifically described as included in this Agreement. Our MCP also includes TK Elevator's Maintenance Tasks & Records documentation to record the performance of those tasks. This Agreement does not include any work mandated as a consequence of changes to that code after this Agreement is executed.

Part Repair/Replacement and Service Requests

This Agreement does not include the repair, refurbishment or replacement of any parts or components of your Unit(s). This Agreement also does not include the dispatch of our technician for any reason from one or more of the following: you or your representative, the building or building's representative, emergency personnel, and/or passenger's through the Unit's communication device and/or from any applicable remote monitoring device attached to the Unit if monitored by TK Elevator ("Service Requests"). The repair, refurbishment or replacement of any parts or components of your equipment and any Service Requests will be separately billable to you at TK Elevator's standard billing rates including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job, with any Overtime work billed at our standard Overtime rates.

Testing

Equipment Testing

This agreement includes only the following tests:

- those annual safety tests for your hydraulic Units covered by this Agreement

Should your Unit(s) require any additional type of equipment testing as required by any applicable law and/or code, we will provide you with a separate written estimate that includes the cost of any associated labor and/or material(s).

Should your Unit(s) require any safety tests as mandated by any applicable law and/or code on the commencement date of this Agreement, TK Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on applicable traction elevators, or the hydraulic system on applicable hydraulic elevators under the terms of this Agreement until the test has been completed and the Unit has passed. Should the respective Unit fail any of those tests, it shall be solely your responsibility to make necessary repairs and place the Units in a condition that we deem acceptable for further coverage under the terms of this Agreement. Because the performance of any safety test places the Unit under extreme conditions that are outside of the Unit's normal operating parameters, you agree that TK Elevator shall not be liable for any damage to the building structure or the Unit(s) resulting from the performance of any safety tests we perform at any time under this Agreement.

Should your jurisdiction require the presence of either the applicable authority having jurisdiction or a third party witness at the time of testing, you agree to pay for any costs of that individual along with any inspection/coordination fees.

Bronze Service Agreement

Firefighters' Service Testing

Should your Unit(s) be equipped with a phase I and phase II firefighters' service feature, all testing, record-keeping and record storage obligations associated with that feature that are required by any applicable law or code are expressly excluded from this Agreement and shall remain solely your responsibility to satisfy. The first time that your testing of that feature following the full execution of this Agreement reveals that it is not operating properly, you shall immediately remove the Unit from operation, immediately notify TK Elevator of the condition, and agree to remain responsible for all costs associated with any repairs necessary to return that feature to full and proper operation in accordance with any applicable law or code.

Exclusions

TK Elevator will provide a 30.00% discount off our standard billing rates for all service calls placed.

In addition, we will not be required to make any changes or recommendations in the existing design or function of the Unit(s) nor will we be obligated to install new attachments or parts upon the equipment as recommended or directed by insurance companies, governmental agencies or authorities, or any other third party.

Should Purchaser elect to modernize any Unit described in this Agreement during the original or any renewal term of this Agreement, Purchaser agrees to provide TK Elevator with the modernization proposals prepared by any other vendor and at least fourteen (14) calendars days thereafter to both evaluate such proposals and, at TK Elevator's sole option, make its own proposal to Purchaser. Should Purchaser thereafter elect to accept the proposal of another vendor, the Parties agree that the current term of this Agreement applicable to the Units that are the subject of such modernization shall be frozen until the modernization work is complete and TK Elevator has inspected such work and deemed the modernized Unit acceptable for service under the terms of this Agreement. In the event such Unit is not, in TK Elevator's sole opinion, acceptable for service under the terms of this Agreement, TKE will submit a written proposal to Purchaser to address the items in question at an additional cost. Should Purchaser decline that proposal, TKE retains the right to remove the Unit from the Agreement and adjust the price accordingly or cancel the Agreement if the proposal affects all Units that are the subject of the Agreement.

Digital Customer Experience

MAX - Digital Maintenance

MAX is a cloud-based Internet of Things ("IOT") platform that we, at our election, may connect to your Unit(s) by installing a remote-monitoring device (a "Device"). Purchaser consents and authorizes TK Elevator to (1) access Purchaser's premises to install a Device to the Unit(s) and thereafter maintain and/or repair the Device(s) and (2) to collect, store, maintain, own, use, delete, and/or destroy any or all of the data generated by the Device(s). Any Device, once installed, is not intended, nor should it be considered, as a fixture. Instead, TK Elevator shall retain the right to remove the Device from any Unit(s) and/or cease any data collection and/or analysis at any time at its sole discretion. Moreover, TK Elevator shall retain the exclusive right and ability to, at its sole discretion, remove, delete and/or destroy all associated data generated from the Device(s). Because the Device contains trade secrets belonging to TK Elevator and is being installed for the sole use and benefit of our personnel, Purchaser agrees not to permit Purchaser's own personnel or any third parties to use, access, tamper with, relocate, copy, alter, destroy, disassemble or reverse engineer the Device or its data. The installation of any Device on a Unit shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the Device and/or any software contained or embedded therein or that it utilizes/utilized in connection with the collection, monitoring and/or analysis of data.

With a MAX device connected to your equipment, at no additional charge, information obtained via machine learning may be sent to our technicians to promote early diagnosis, faster fixes and reduced downtime.

Bronze Service Agreement

Customer Web Portal and Mobile App

TK Elevator provides a web-based customer portal (the "CP") and mobile application (the "App") which, following the effective date of this Agreement, may contain certain maintenance and service call data associated with the Unit(s). To the extent applicable, TK Elevator will provide Purchaser with a user name and password to access the CP and App platforms. Purchaser shall, at its sole cost, provide and ensure the functioning integrity of its own hardware, software and internet connection necessary to access the CP and App. To the extent applicable, TK Elevator reserves the right to restrict Purchaser's access to the CP and App if any of Purchaser's accounts with TK Elevator has an outstanding unpaid balance greater than 30 days or in the event of anticipated or pending litigation of any kind. TK Elevator reserves the right to discontinue the CP and App altogether at its sole discretion and without notice to Purchaser and Purchaser expressly agrees to release TK Elevator from any and all claims of any type or kind arising out of or related to that discontinuation.

TK Elevator Communications

You may supplement this Agreement with an additional suite of services through our TK Elevator Communications call center at an additional fee contingent upon your agreement to all of the terms and conditions as set forth in the attached exhibit entitled "TK Elevator Communications Services." These additional available services involve the provision of 24/7/365 monitoring of your Units' code-compliant and compatible emergency telephone and in-cab video and text communication equipment (the "Communication Equipment"), the dispatch of a TK Elevator technician or emergency personnel under certain circumstances, the provision of a cellular connection for that Communication Equipment, and limited repair/replacement coverage for that Communication Equipment which is otherwise excluded from this Agreement.

Contract Term, Price, Available Discounts & Payment

Term

This Agreement is effective for 60 months starting on the date it is fully executed by both Parties including an authorized manager of TK Elevator and is non-cancellable. To ensure continuous service, this Agreement will be automatically renewed for successive 60-month periods unless either Party timely serves written notice on the other Party of its intention to cancel at least 90-Days but not more than 120 days before the end of the initial 60-month period or at least 90-Days before the end of any subsequent 60-month renewal period. Bronze Service Agreement

Payment

Payments are due upon receipt of each of your TK Elevator invoices. If you do not timely pay any sum due to TK Elevator related to your Units described in this Agreement, regardless of whether it is billed pursuant to this Agreement or any other agreement with us, within the stipulated payment term calculated from the billing date, we may also choose to do one or more of the following:

- deem that you have permanently forfeited any discounts you may be entitled to associated with your payment plan/billing frequency for this Agreement, and/or
- suspend all services until all amounts due have been paid in full, and/or
- declare all sums for the unexpired term of this Agreement due immediately as liquidated damages and terminate our obligations under this Agreement

A service charge of the highest rate allowed by law shall apply to all overdue accounts you have with TK Elevator that are in any way related to any of the Unit(s) described in this Agreement. If TK Elevator elects to suspend service, we shall not be responsible for personal injury, death, damage to property (including damage to the Units) or losses of any other type or kind that is in any way related to TK Elevator's suspension of service. Upon resumption of service, you will be responsible for payment to TK Elevator for all costs we incur that result from our suspension of service and to remedy any damage caused to your equipment during that time. Time is of the essence.

TK Elevator reserves the right to assign payments owed to TK Elevator under this Agreement. If for any reason this Agreement is terminated prior to the end of the current term, a condition of such termination shall be that you agree to pay us the full amount of the any discount you received during the initial and any subsequent term. This is in addition to and not in lieu of any other rights or remedies we may have under this Agreement and the law.

Purchaser's Responsibilities

You agree to instruct or warn passengers in the proper use of the Unit(s) and to keep them under continued surveillance by competent personnel to detect irregularities between our examinations. You agree to immediately report any condition that may indicate the need for correction before the next regular examination. You agree to immediately shut down the Unit(s) upon manifestation of any irregularities in either the operation or the appearance of the Unit(s), to immediately notify us, and to keep the Unit(s) shut down until the completion of any repairs. Under those circumstances you agree not to re-set the mainline disconnect. In the event of a Service Request where our technician finds that the mainline disconnect has been reset, you agree that you will be responsible for all labor costs associated with that Service Request invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when we respond to that Service Request) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job. You agree to give us immediate verbal notice and written notice within ten (10) days after any occurrence or accident in or about the Unit(s). You agree to provide our personnel with a safe place to work. You agree to provide a suitable machine room, including secured doors, waterproofing, lighting, ventilation, and appropriate air temperature control to maintain that room at a temperature between 50°F and 90°F, with relative humidity less than 95% non-condensing at all times. You agree to provide properly maintained and functioning mainline disconnect(s). You agree to maintain the elevator pit in a dry condition at all times. Should water or other liquids become present, you are responsible for the cost associated with the removal and the proper handling of such liquids. You agree that if TK Elevator's inspection of a Unit serviced under this Agreement reveals an operational problem which, in TK Elevator's sole judgment, jeopardizes the safety of the riding public, TK Elevator may shut down the Unit until such time as the operational problem is resolved. In that event, TK Elevator will immediately advise you in writing of such action, the reason for such action, and whether any proposed solution is covered by the terms of this Agreement.

TK Elevator assumes no responsibility for any part of the Unit(s) except that upon which work has been performed under this Agreement. No work, service, examination or liability on the part of TK Elevator other than that specifically mentioned herein is included or intended. It is agreed that TK Elevator does not assume possession or control of any part of the Unit(s) and that such remains Purchaser's exclusively as owner, lessor, lessee, possessor, or manager thereof.

We reserve the right to discontinue work in the building whenever, in our sole opinion, our personnel do not have a safe place to work. For safety reasons, you agree not to permit others to make alterations, additions, adjustments, or

Bronze Service Agreement

repairs or replace any component or part of the Unit(s) during the term of this Agreement. You agree to accept our judgment as to the means and methods employed by us for any corrective work under this Agreement.

Upon the commencement of this Agreement and as a condition of TK Elevator's performance of its obligations, Purchaser shall provide any wiring diagrams, manuals, special tools, monitoring devices, software, hardware or any other items designed to work with, diagnose, service, or repair the Unit(s) (1) as originally supplied by the OEM with the installation or (2) solely available to Purchaser from the OEM.

Some equipment covered by this Agreement may be encoded with serialized onboard diagnostics or other closely held diagnostic intelligence. In the event that the cause of a shutdown or other equipment issue cannot be diagnosed and/or resolved without enlisting the OEM's assistance, Purchaser agrees to obtain the assistance of the OEM and TK Elevator agrees to reimburse you for that expense, provided that it does not exceed the total monthly service fee divided by the number of Units covered under this Agreement. Any fees in excess of that figure shall be exclusively the Purchaser's responsibility.

Since TK Elevator's top priority is the satisfaction of its customers, if you should have any concern(s) with our performance or the means and methods used to meet our obligations under this Agreement, you agree to provide us with written notice of that concern and give us thirty (30) days to respond either in writing or commence action to appropriately resolve it.

In the event of the sale, lease or other transfer of the ownership of the premises in which the Unit(s) described herein are located, you agree to see that such transferee is made aware of this Agreement and agrees to assume and/or be bound by the conditions hereof for the balance of the unexpired term of this Agreement. Should the transferee fail to assume this Agreement, you shall remain liable for all unpaid amounts, including those owed for the balance of the current unexpired term of this Agreement.

Unless this Agreement expressly includes, or is later amended to include, TK Elevator Communications Phone Monitoring Service or Multimedia Monitoring Service as described in the exhibit hereto, this Agreement expressly excludes any materials, labor and/or services involving or related to either the monitoring of or provision of a response to any communications initiated from any Communication Equipment installed within the Unit(s) and Purchaser remains solely responsible for contracting with a separate vendor to monitor and respond to such communications in accordance with all applicable codes, statutes and/or laws.

You expressly agree to release and discharge us and our employees for any and all claims and/or losses of any type or kind (including but not limited to personal injury, death and property damage, specifically including damage to the property which is the subject matter of this Agreement) (1) associated with any components excluded in this Agreement or (2) associated with any Billable Work or (3) caused in whole or in part by reason(s) outside of our control. TK Elevator shall also automatically receive an extension of time commensurate with any delay in performance caused by or related to the aforementioned.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, TK ELEVATOR EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE WITH RESPECT TO ANY OR ALL OF THE PARTS, PLATFORMS (INCLUDING BUT NOT LIMITED TO CP, APP AND MAX) AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, TK ELEVATOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE PARTS, PLATFORMS AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT WILL BE ACCESSIBLE TO CUSTOMER, ACHIEVES ANY INTENDED RESULTS, MEETS CUSTOMER'S REQUIREMENTS, OPERATES WITHOUT INTERRUPTION, MEETS ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL TK ELEVATOR OR ITS AFFILIATES, BE LIABLE TO THE CUSTOMER OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY OR INABILITY TO USE THE UNIT(S), PARTS, PLATFORMS AND/OR SERVICES OR FOR THE ACT OF ANY THIRD PARTY RELATED

Bronze Service Agreement

THERETO, INCLUDING BUT NOT LIMITED TO THE INCORPORATION OF A VIRUS, SPYWARE OR ANY OTHER MALICIOUS PROGRAM INTO THE PURCHASER'S SOFTWARE OR HARDWARE OR PLATFORM.

In consideration of TK Elevator performing the services herein specified, you expressly agree, to the fullest extent permitted by law, to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator Corporation, our employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against TK Elevator, our employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the Unit(s) which are the subject matter of this Agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the Unit(s) covered by this Agreement, or the associated areas surrounding such equipment. Your duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Agreement), personal injury or death is determined to be caused by or resulting from the negligence of TK Elevator and/or our employees. You recognize that your duty to defend TK Elevator under this clause is broader than your duty to indemnify and includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

You expressly agree to name TK Elevator Corporation along with its officers, agents, affiliates and subsidiaries as additional insureds in your liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator Corporation, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or losses arising from the sole negligence or responsibility of TK Elevator Corporation and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. You hereby waive the right of subrogation.

In no event shall TK Elevator's liability for damages arising out of this Agreement exceed the remaining unpaid installments of the current, unexpired term of this Agreement.

You expressly agree to release and discharge TK Elevator from any and all claims for consequential, special or indirect damages arising out of the performance of this Agreement.

In the event an attorney is retained to enforce, construe or defend any of the terms and conditions of this Agreement or to collect any monies due hereunder the prevailing Party shall be entitled to recover all costs and reasonable attorney's fees.

You hereby waive trial by jury. You agree that this Agreement shall be construed and enforced in accordance with the laws of the state where the Unit(s) is/are located. You consent to jurisdiction of the courts, both state and Federal, of the state in which the Unit(s) is/are located as to all matters and disputes arising out of this Agreement.

In the event any portion of this Agreement is deemed invalid or unenforceable by a court of law, public policy or statute, such finding shall not affect the validity or enforceability of any other portion of this Agreement.

Our rights under this Agreement shall be cumulative and our failure to exercise any rights given hereunder shall not operate to forfeit or waive any of said rights and any extension, indulgence or change by us in the method, mode or manner of payment or any of its other rights shall not be construed as a waiver of any of its rights under this Agreement.

Bronze Service Agreement

Acceptance

Until executed by both Parties this Agreement is a proposal that shall only remain available for acceptance for a period of sixty (60) calendar days from the date appearing on the first page of this document unless revoked by TK Elevator earlier in writing to Purchaser. Your acceptance of this Agreement and its approval by an authorized manager of TK Elevator will constitute exclusively and entirely the agreement for the services herein described. All other prior representations or agreements, whether written or verbal, will be deemed to be merged herein and no other changes in or additions to this Agreement will be recognized unless made in writing and properly executed by both Parties. Should your acceptance be in the form of a purchase order or other similar document, the provisions of this Agreement will exclusively govern the Parties' responsibilities. No agent or employee of TK Elevator shall have the authority to waive or modify any of the terms of this Agreement without the express prior written approval of an authorized TK Elevator manager.

Bronze Service Agreement

Phone Monitoring Service

"Phone Monitoring" is selected for specific Units in the chart above and we will provide 7 days per week, 24 hours per day, 365 days per year dispatching service, through its centralized TK Elevator Communications call center, for those specified units. The dispatching service will be provided for calls placed by Purchaser outside of Regular Time to the local TK Elevator branch office. We will also include telephone monitoring on all Units maintained under this Agreement that have operational telephone equipment capable of placing a call to that call center. Depending on the nature of the call and circumstances, TK Elevator's operators can call one or more of the following: Purchaser's Designated Contacts set forth below; Local Emergency Services at phone numbers provided by Purchaser below; and/or a local TK Elevator service technician to be dispatched to the location of the equipment. Calls cannot be placed to "9-1-1" as the centralized TK Elevator Communications call center does not have dialing access to local "9-1-1" numbers.

This Phone Monitoring Service specifically excludes any maintenance, repair or replacement of any type or kind of the Purchaser's telephone or other communication equipment. The Purchaser retains exclusive possession and control of its telephone and other communication equipment and is solely responsible for ensuring uninterrupted operation of that equipment so that it is continuously capable of placing a call to TK Elevator Communication's call center.

Terms and Conditions

Any of the services mentioned in this Exhibit shall be governed by both the terms and conditions of the Agreement covering the Unit(s) described in that Agreement and the terms and conditions of this Exhibit and in the event that those terms conflict, the terms and conditions of this Exhibit will exclusively govern the subject matter of those terms and conditions. Should the Agreement covering the Unit(s) be terminated for any reason by either Party then this Exhibit shall also be automatically terminated. In the event that this Exhibit is terminated for whatever reason, Purchaser agrees to immediately both transfer the connection of the communication equipment to an appropriate telephone service provider and also make arrangements with its replacement elevator service vendor to reprogram the communication equipment to initiate contact with a replacement call center.

Price

In light of the modifications to Agreement set forth above, you agree to an additional price of \$0.00 per month which will be billed to you separately from the price of the Agreement (the "TK Elevator Communications Services Charge"). The cost of your selected TK Elevator Communications Services is not subject to any discounts.

TK Elevator Communications Contact Information - To Be Completed by Purchaser

Purchaser hereby acknowledges that as a condition precedent to TK Elevator's placement of calls to Purchaser's Designated Contacts and any Local Emergency Services under this Agreement, Purchaser must first complete all sections of the TK Elevator communications Contact Information section below. Purchaser further acknowledges that it is Purchaser's sole responsibility to advise TK Elevator immediately in writing of any changes to the information contained in this exhibit during the term of this Agreement. Purchaser acknowledges that no revision to that information will be made without TK Elevator first receiving such request in writing from Purchaser's authorized representative.

Under those circumstances where TK Elevator is unable to reach Purchaser's Designated Contacts, Purchaser hereby gives TK Elevator express permission to dispatch a TK Elevator service technician to the location of the equipment at Purchaser's expense in accordance with TK Elevator's applicable billing rates. Purchaser further agrees that TK Elevator does not assume any duty or responsibility to advise any caller, regardless of his or her location within or outside the elevator, to take or not take any specific action resulting from a medical or other emergency or any other situation including, but not limited to, entrapment of persons, evacuation, repair or return to service of any equipment.
