Calendar Committee

The Calendar Committee had their second meeting to discuss the school calendar. The committee created draft calendars for the 2025-26 and 2026-27 school years, which will be discussed later tonight.

Redistricting Update

Redistricting letters for elementary students were mailed out earlier this week to inform families of the school they should attend based on address boundary lines and to inform parents of the February 1st deadline for Change in School applications. As soon as those are processed, we will have an update of anticipated enrollment for each school.
