Your answer 10th and 11th-Grade Students

Please describe the project/event. *

Your answer

In the Spring of 2024, the FSHS leadership team and Student Council sponsors created a theme for the high school Kentucky Summative Assessments. Utilizing this theme, the faculty held events (i.e., door decorating), KSA practices, drawings for prizes, etc. to prep and motivate all 10th and 11th-grade students to study and do their very best on the state exams. The students responded well to this engagement and motivation and we are in the process of creating a theme and activities for this year. We purchase shirts for every student taking the spring exams, snacks each testing day, names are drawn for prizes, and all students showing Good Faith Effort throughout the testing week earn a "field day" at the end of the year with games and more prizes. We utilize prizes and rewards available to us at the school level; however we do reach out for support from the community to make this project a success.

Please provide a timeline for the facilitation of your project/event. *
