Bylaws for the Association: <https://www.kyglca.com/bylaws>

Kentucky girls lacrosse coaches association is now made up of all member schools in the state of KY.

We have two regional representatives for each region that are present for coaches meetings and voting purposes and considered voting members of the association.

The meeting that was held Dec 29 when RPI was discussed and suggested was represented by all 8 regions. 4 reps were not present but each region was represented at the meeting when the vote was taken.

Region 1: Both reps voted yes for RPI ( South Warren and Greenwood)

Region 2: 1 rep voted yes for RPI (Mercy) 1 rep voted no for RPI ( Manual)

Region 3: Both reps voted yes for RPI (Collegiate and Sacred Heart)

Region 4: Both reps voted yes for RPI (KCD and Eastern)

Region 5: Only one rep was present and voted no for RPI ( Ryle)

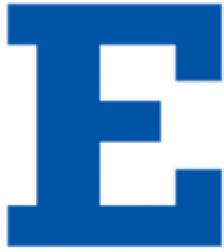

Region 6: Only one rep was present and voted yes for RPI ( South Oldham)

Region 7: Only one rep was present and voted yes for RPI ( Sayre)

Region 8: Only one rep was present and voted yes for RPI ( Lafayette)

So of each 8 regions represented each region voted yes on post season RPI other than region 6 whose one rep voted no.

The entire state represented made it evident that a post season RPI was not only the most fair but also not an issue for travel or inconvenience and allowed for the most competitive and engaging state tournaments possible moving forward.

Can you follow up with a current list of the schools and coaches who are members of this coach's association? Appreciate it. That question generally always arises especially when discussing issues such as number 2 when teams from throughout the state are potentially impacted.

Hey all,

I know I sent an email outlining the proposal for 2 teams to advance from each region but I want to resend that information. I will be unable to attend the meeting due to a local meeting here in Louisville. Zuberer can answer any questions on my behalf.

## 2 Proposals:

1. 2 teams from each region advance to the boys and girls state lacrosse tournament, following the same format of the boys volleyball that was released. (details on attachment)
2. RPI Seeding of the 16 team State Boys and Girls Lacrosse Tournament. Proposed by the state coaches association. (details on attachment)

Let me know if you need anything else from me. Thank you for your time.
