

KENTUCKY DEPARTMENT OF EDUCATION STAFF NOTE REVIEW ITEM

Topic: Kentucky United We Learn Assessment and Accountability Framework

Date: February 2025

Held In: ☒ Full Board ☐ State Schools ☐ United We Learn

SUMMARY OF PRESENTATION:

In October 2024, the Kentucky United We Learn Council convened to discuss feedback received on Framework 1.0. Commissioner Robbie Fletcher and Kentucky Department of Education (KDE) Division Director Jennifer Stafford gathered feedback on the initial framework from the Local Superintendent Advisory Council (LSAC) at its November 2024 meeting and the Kentucky Board of Education at its December 2024 regular meeting.

Several key themes arose from this convening, which set the direction for the Framework 2.0 document.

In January, the department planned multiple Town Hall meetings to collect input from educators, students, families, legislators and community members on the latest framework and how new assessment and accountability systems could work locally. Alongside the Town Halls, educational cooperatives hosted discussions about the Framework with their boards of directors and KDE staff.

The presentation will cover status, participation, and information gathered from the Town Halls so far.
