January 2025 Board Report

Middle School Enrollment - 213

6th – 75

7th – 66

8th – 72

Attendance Percentage for the year in the Middle School – 93.16%

- Middle School attendance has been outstanding when we have been able to be on campus for the start of this semester. With an overall percent from the beginning of the school year of 93%.
- As we have deciphered through all our 2nd Iready diagnostic data / scores from our middle school students... we have much to celebrate!

94% of our students in the 6th grade improved on their Math or Reading diagnostic score

41% of our 6th grade students improved on both Math and Reading

83% of our 7th grade students improved on their Math or Reading diagnostic score

32% of our 7th grade students improved on both Math and Reading

92% of our 8th grade students improved on their Math or Reading diagnostic score

45% of our 8th grade students improved on both Math and Reading

These are incredible numbers of growth for all our students in the middle school and we are very proud of them! We will be celebrating these achievements and will continue to strive to do our very best for your students.

- The Middle School is pushing out many Larry Bell tactics. We are using the powerful words in the daily work and the unravel technique in our writing and procedures.
- There is a lot going on as we enter our 2nd semester and start work toward the end of the school year. We are proud of our growth and will continue to strive for greatness within all our student growth. Our mental health counseling, academic interventions, and our school climate is at a high level and we will continue to maintain and growth this within our building.
- Our Snowball Dance for Middle School is scheduled for February 28th 6-8pm
