

# JCPS Transportation Update

January 28, 2025

---

# TARC drivers with 'S' certification: 69

\*As of January 22, 2025

# Service Restoration

## No Impact to Current Service

### **All students at:**

1. Coleridge-Taylor Elementary School
2. Young Elementary School
3. Johnson Traditional Middle School

## Short Term Impact to Student Service\*

**Free & Reduced Lunch students - Butler, duPont Manual, & Louisville Male**

### **\*Impact**

- Adjustment period after reinstatement for a week or two as we adjust routes
- 90 runs (20%) on Tier 2 & 3 could be later during this period, but will even out.
  - current median clear time is 5:44 pm
  - clear time last year was 7:02 pm

# Considerations

- **Impact to on-time service (immediately)**
- **Impact to school traffic patterns (immediately)**
  - **High school car rider lines**
  - **Traffic division is already working with schools**
- **Sustainability (future state)**
  - **Driver pool and retention**

# Timeline: At least 6 weeks (mid March)

1. Poll families on stipend vs. bus
  - 1 week – Poll window February 3-7
