Action Item for Vote (PLANNING MEETING)

Superintendent Prior Approval: No

Recommendation/Motion: A motion is in order to approve the contract with Papaya Tutoring Services, LLC

Background/Rationale: Migrant Education Program students who meet the state determined qualifications for Priority For Service (PFS) are federally mandated to have two tutoring services in Math and Reading per week in addition to general academic programming. These services must be an hour in duration and be supplemental to any services provided by the school or the MEP program staff. In 2023-2024, FCPS contracted Papaya Tutoring Services, LLC. to provide these required services. The collaboration was successful. Student data showed that the PFS students made notable gains in both math and reading and demonstrated mastery of standards previously identified as requiring growth. The FCPS Migrant Education Program has chosen Papaya again, per the RFP committee's recommendation, to provide the required services to PFS students in the areas of math and reading. Papaya will provide two tutoring services to PFS students per week in the areas of math and reading with professional bilingual tutors. Papaya will provide pre and post testing to document growth and will provide scheduled progress reports to the director of the Multilingual Program. Papaya will sign both a contract and MOU to ensure secure interaction with FCPS students.

Strategic Priority:

- ☒ Student Achievement ☐ Unity, Belonging & Student Efficacy
- ☐ Highly Effective, Culturally Responsive Workforce
- ☐ Outreach & Engagement ☐ Organizational Health & Effectiveness

Data Considerations: A signed MOU and contract between FCPS and Papaya will ensure that any student data, such as name, grade, contact information, etc. that is

shared by FCPS to enable Papaya to provide contracted tutoring services will be kept secure.
