

February 5, 2025

Dear Bourbon County School Board Members,

Each year, Bourbon County FFA members travel to Hardinsburg, Kentucky to attend the Kentucky FFA Leadership Training Center, otherwise known as FFA Camp. We are asking permission to allow our officers and committee chairmen to attend.

FFA Camp is an action packed week that each student will greatly benefit from. Students participate by attending leadership classes, which are custom fit for the office that they hold. The students are also involved in athletic groups, in which the students are grouped with other FFA members from across the state of Kentucky. Not only does the Leadership Training Center help students build communication and leadership skills, but also it allows them to spend a week with the officers and committee chairmen who will help build the future of the Bourbon County FFA Chapter.

This year, we plan to travel to camp using a bus and the box trailer and Suburban for luggage. The week that we are scheduled to attend camp is June 30-July 4, 2025.

The students look forward to FFA Camp each year and we look forward to helping them experience the Kentucky FFA Leadership Training Center once again. On behalf of the other two advisors and our chapter FFA members, I thank you for your continued support of the FFA.

Sincerely,

A handwritten signature in cursive script, appearing to read "Andrew Fritsch".
