Re: Tuition Rate for the 2025-2026 School Year

This is a request for Board Approval of non-resident tuition rate and temporary non-resident tuition rate for the 2025-2026 school year as required under Policy 09.124, Tuition.

After further review and consultation with our Finance Director, Lisa Lewis, we would like to have 1 set tuition rate for both non-resident and temporary non-resident students.

- The recommended 2025-2026 tuition rate for non-resident students and temporary non-resident students would be:

**\$1,896.84**

- Families that move into the district will be reimbursed for the unused portion of their tuition.
- We also will receive SEEK Funding from KDE for all students enrolled into BCPS, to include non-resident students.
- Full-Time District Employees will have their student's tuition waived if they decide to transfer their child to Bullitt County Public Schools.

Respectfully submitted,

Steve Smallwood
