Curriculum, Instruction, Assessment

- Sara and I are working on a one-stop shop for housing our K-12 Curriculum. We will be prepared to show you a glimpse into this work at the next board meeting.
- We have finished the Science MAP in both buildings.
 - I have attached the baseline data below for your review.

- We will continue to focus on Learning Targets & Success Criteria across the district for the 2nd semester.
- ACCESS Testing for EL students is finished and all materials have been sent back to KDE. Ms. Novak has resumed her normal schedule of collaborating with teachers and offering pull out services, as needed.
- I attended a DAC training last week and learned about some vast changes to the Spring 2025 Kentucky Summative Assessment. I am including a side by side comparison linked [here](#). I will be meeting with the BACs and Leadership Team next week to discuss the changes and determine next steps.

Professional Development

- Secondary Science of Reading
 - We have 16 people participating in the Secondary Science of Reading Course offered by KDE! This will be an excellent opportunity to bridge the literacy work between GES and BMHS.
 - I have linked more details [here](#).
- We will have Spring Internal LABS in March / April. Here is the current plan (based on feedback from Fall LABS):
 - 1 In Person Lab @ BMHS
 - 1 in Person Lab @ GES
 - 1 Virtual Lab - Elementary (Wonders Lesson)
 - 1 Virtual Lab - Secondary (OpenSciEd Lesson)
- All have received OTUS training and provided feedback via a survey on Survey Monkey to determine next steps.
- High Reliability Schools Summit

- We are meeting as a district team on Tuesday to discuss what Sara and I learned at our conference. We will begin by making connections to our district goals and an article we all recently read, "[The Opportunity Makers](#)."

Important Dates:

- February 19 & 20 - Scholastic Coaching at BMHS
- February 20: New to the Vue Meeting #3
