**Takeaways to help  
Board and Staff**

Participating in the event continues a working relationship with the Baseball Coaches Association and assist in the overall attendance of the event.

**General Commentary**

I conducted an in-person KHSAA/NFHS Baseball Rules Clinic at the annual KHSBCA Conference in Louisville January 17, with 406 coaches in attendance. I reviewed situations and updates from the previous season as well as reviewed rules changes and points of emphasis from the NFHS. Coaches that were in attendance and signed in received credit for the required rules clinic for the 2025 playings season.
