Spring Boys Lacrosse

**Positive Developments
and Highlights**

All schools have been paired with a new assigning secretary for the upcoming season. There has also been an increase in officials for both boys and girls lacrosse.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

There has been some difficulty getting former lacrosse officials to appear in the new KHSAA Arbiter account (which differs from previous lacrosse accounts), making it challenging for assignors to view them. We are actively communicating with assignors, officials associations, ADs, and coaches regarding the official sign-up process.

**Championship
Update/Review**

The staff will be working with our schools to finalize regional seeding procedures and identify the 8 regional tournament host sites.

**Noteworthy Changes /
Anticipates Changes**

Some schools that initially planned to have lacrosse this year no longer have enough student interest to form a team. Anderson County will not field a boys team this year.
