NFHS Hall of Fame Screening Committee

**Takeaways to help
Board and Staff**

The NFHS Hall of Fame works much the same as the KHSAA Hall of Fame with a two stage screening and selection process. As chair of that committee at this time, the Commissioner is in a position not only to represent the KHSAA in that effort, but to use that process to help evaluate and potentially improve the Kentucky process.

This 12 member committee reduced more than two dozen candidates to a final pool for a different committee to choose from to select the inductees to be honored in Chicago at the upcoming NFHS Summer meeting.
