Spring Individual Tennis

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

After conducting the 2024 KHSAA State Tennis Championships across three different sites, the hope was that the event would return to its standard format in 2025. However, in recent weeks the University of Kentucky has moved forward with a construction project on campus that has resulted in the removal of the recreation tennis courts utilized during the state championships. Combined with a reduction in the number of usable tennis courts once Shillito Park completes its renovation, the tournament format and schedule will again face some challenges, especially in light of the volume of competitors that advance to state.

**Championship
Update/Review**

Tennis Regions can be held from May 5-21 this year, with the individual/doubles state tournament scheduled for May 27-29. The team tennis tournament will take place June 2-4, with the exact dates and schedule to be determined.
