RE: Financial Aid Report

At your direction, I have completed the annual financial aid reports from the member schools for the 2023-2024 academic year. To date, we have 1 member school that has not submitted a complete survey, Heritage High School (Florence).

I have contacted the following member schools with follow-up questions on the 2023-24 survey.

- Dayton
- Model
- Notre Dame
- Owensboro Catholic

If necessary, any violations of Bylaw 11 would be reported to the Board of Control at the next meeting, including but not limited to, recommended penalties for failing to submit the survey.
